## CALL FOR PAPERS

ICICT2013 is an international conference organized by the College of Information Technology, University of Bahrain with the technical co-sponsorship of IEEE. The conference is devoted to tackle the challenges in the area of Information and Communication Technology (ICT), thereby presenting a consolidated view to interested researches in this field. ICICT2013 will include prominent keynote speakers and regular papers presentation.

### LOCATION

ICICT2013 will be organized by College of Information Technology, University of Bahrain. The Kingdom of Bahrain is an archipelago of low lying islands located in the Arabian Gulf off the Eastern shore of Saudi Arabia. Frequently called the Pearl of the Arabian Gulf, Bahrain has a history of civilizations that dates back more than 5,000 years. Bahrain today has a very high Human Development Index and the World Bank identified it as a high income economy.
